

**Sylvia Morrison**, of Northwest High School, has been chosen as the **Outstanding Principal** of 2006 because of her contributions to curricular instruction through the **Library Media Center**. This award is presented by the Media Specialist association, MCEMSA, on a competitive basis.

Mrs. Morrison has received the *Nancy Walker Award* because of her consistent promotion of Media services in school **television programming**, at **community appearances**, and by placing **VIP visits** in the Library. She has urged her staff to make use of **technology products** and training offered through the Library Media Center, and has made Media use one element in her **evaluation of teachers**.

In all these ways Sylvia has **communicated to her entire school community** the importance of the range of services offered by the Library Media Center and the **Montgomery County Educational Media Specialists Association** is proud to award her this *recognition of excellence*. She was nominated by Danee A. Wilson, LMS.
